## Student Testimony

**Name:** Aiden (Sven) Murphee  
**Year:** 2018  
**Location of School/Camp:** Skovsøen in Minnesota

This summer I had the pleasure of attending Skovsøen, a Danish immersion camp in the forests of Minnesota, my second year. A group of 7 other 'credit' campers and I stayed an entire month at a lake in Minnesota and practiced as much Danish language and culture as we possibly could in our daily lives. We spoke Danish, took Danish classes, ate Danish food, and played Danish games or watched Danish movies in the evenings. I learned an astounding amount of Danish language and culture and made many great friends at the same time!
