Thank you so much for my Scholarship! I am so very grateful. Before the summer school, I spoke no Danish. I knew a small amount of words, but could not speak Danish. I can now have a basic conversation in Danish and that is very exciting.

I had hoped that the summer school would be good for learning Danish. Now, I am writing this letter.

At the summer school, I had 3 hours of Danish class every day. Also, 2 hours of Danish culture class every day. After class, everyone had sports, for example, soccer or beach volleyball. My friends were from lots of countries. Luxembourg, Germany, and Spain. In my class, people came from Thailand, France, and Brazil etc.

All in all, the Danish summer school was a great experience. I learned lots of Danish and have lots of new friends!

Thank you very much for supporting my endeavors with learning Danish!
